

Box Hill Institute of TAFE

Box Hill, Victoria

Contract since 2003

In November 2009, Delaware North was successful in extending our food & beverage contract at Box Hill Institute through a competitive tendering process.

Delaware North commenced its partnership with Box Hill TAFE in 2003 and has worked with the Institute to deliver a food & beverage solution that reflects the extensive range of vocational and training services and the associated broad demographic of the 40,000 students and 1,800 teachers.

The Institute has consistently been acknowledged as Victoria's No. 1 TAFE Institute and has four main campuses including the \$19.5m Elgar Development which was opened in 2005.

Box Hill Institute offers over 500 full-time and part-time courses covering a wide range of subject disciplines and delivery methods, as well as around 300 short courses and more than 40,000 student enrolments each year with an increasing number coming from overseas.

STUDENT POPULATION: 40,000

TEACHING POPULATION: 1,800

A new design theme has been created for the four food & beverage retail.

The new contract term will see the refurbishment of the four food & beverage outlets with the most extensive redevelopment being allocated the largest of the retail offerings at the Elgar Road campus.

Each year our chefs create new function menus which are launched to teaching and administration staff at the start of the school year in February.

A global leader in hospitality and food service.
