

# Sydney Airport

Sydney, New South Wales

Contract since 2008

A major upgrade and expansion of the International Terminal at Sydney Airport included adding 7,300 square metres to the departures level to provide world class passenger facilities including centralised processing, new retail, food and beverage outlets, and passenger waiting areas.

The \$500 million investment will ensure that Sydney Airport retains its position as one of the top airports in the world.

The expansion will address the demands of the increasing number of international passengers. By 2023-24, Sydney Airport is expected to be handling more than 20 million international passengers, double the number today.

DELAWARE NORTH OPERATES TWO OUTLETS WITHIN THE WORLD ACCLAIMED SYDNEY INTERNATIONAL AIRPORT TERMINAL.

## NATIONAL FRANCHISE PARTNERS

### **OPORTO**

100% Australian owned. The first Oporto store specialising in fresh, grilled chicken burgers flavoured with secret Portuguese spices, opened in 1986 in Bondi, Sydney. Today, the menu is broader but you are still assured of fresh grilled chicken burgers, rolls, wraps, salads, desserts and a quality breakfast offering. Just Gotta Go Oporto!

### **HUNGRY JACK'S**

Over 300 Hungry Jack's outlets operate across Australia – all with the one service ethos of "the burgers are better at Hungry Jack's." The menu is constantly evolving to reflect increasing demand for breakfast and snack items and fresher lighter menu options across the entire dining period.

A global leader in hospitality and food service.
