

WIN Sports & Entertainment Centre

Wollongong, New South Wales

Contract since 1998

Flexibility of facilities allow for a broad range of events to be staged with professional ease at WIN Sports and Entertainment Centre. The venue stages sporting events, concerts, exhibitions, entertainment attractions, conferences, dinners and other recreational events. WIN is also home to NRL St. George Illawara Dragons, and NBL Wollongong Hawkes.

2010 saw a new phase for WIN Sports & Entertainment Centres, with Delaware North extending its contract term through a competitive tender process. The major focus of our tender response was around the refurbishment of the retail food & beverage outlets across both sites and the total renovation of the southern corporate boxes. The WIN Sports & Entertainment Centre is home to the 2010 NRL Champions, the St George Illawarra Dragons and is the premier entertainment centre in Wollongong.
